## QUARTERLY TIP

As the cooler weather arrives in Alberta winterizing your trailer begins to move closer to the top of the “To Do” list. We suggest you consult your owner’s manual and/ or RV dealer for information specific to your RV unit. Try the following websites for helpful hints and/ or information on readying your unit for the winter;

[www.ama.ab.ca](http://www.ama.ab.ca)

[www.thecampingsource.com](http://www.thecampingsource.com)

## UPDATE ON 24<sup>th</sup> STREET

We have been informed that 24<sup>th</sup> Street is scheduled for completion very soon. When 24<sup>th</sup> Street is opened to the general public we will reactivate the electronic card reading gate. Access will once again be 6:00

a.m. to 10:00 p.m., 7 days a week. The gate camera system will also be reactivated at that time.

During the first 3 or 4 days when we begin using the new gate, we will station ECCO Staff to

ensure the automatic gate is working correctly and all customer swipe cards are functional.

Please remember to bring your access card with you.

## Changes Inside the RV Lot

ECCO has freed up more land for RV storage and is in the process of making the following changes within the RV storage facility;

- Row A is being switched to drive-thru stalls for the larger units. The reformed stalls for Row A are longer and wider to better accommodate the larger units.
- Row B will remain a double row of 30 ft stalls. We intend to use this row for clients with smaller units, such as; tent trailers, utility trailers, campers and so forth.

- Row C (double row of 30 ft stalls) is currently under construction. We are also increasing the width of the stalls in Row C.
- Row D is slated for construction very soon. The new stalls in Row D will also have the new wider format.

We have installed new signage at the end of each of the rows, indicating both the Row letter and the stall numbers found in each row.

These revisions will necessitate relocation of some existing renters. We will contact you di-

rectly if this is necessary. We thank you for your patience, understanding and cooperation during this transition.

The reformulation of the RV lot has created space for an additional 180 stalls coming available over the next few months. We currently have sixty 30 foot, back-in stalls available for rent for \$600.00/ year (January 1<sup>st</sup> – December 31<sup>st</sup>), with 2010 rental fees pro-rated. For additional information, please contact our RV Manager, Ian Traquair, at 403-720-3851.
